

Blessing of Animals

On the 4th October, the Church celebrates the Feast of St. Francis of Assisi (Patron Saint of Animals and the Environment).

Traditionally, we would have a gathering ceremony where we would worship together and Father would bless our animals (pets) together.

Although we can not have a formal gathering this year, Father Sebastian is still inviting you to bring along your beloved pet (or a photo of your pet) to receive a special blessing privately.

When: Saturday 3rd October 2020

Where: Church Courtyard

Time: 4:30—5:00pm

*A **Blessing of Animals** celebrates our interdependence with God's creatures and witnesses to God's and the Church's love, care, and concern for creation.*
